Tu És O Escolhido / O TRÊS RRR

VAMOS DIMINUIR O LIXO QUE PRODUZIMOS. NAS COMPRAS, DEVEMOS ESCOLHER PRODUTOS COM MENOR IMPACTO NO AMBIENTE E QUE NÃO VEM EM EMBALAGENS. DEVEMOS OPTAR PELAS EMBALAGENS QUE PODEM SER REUTILIZADAS OU REUTILIZADAS

MUITOS RESÍDUOS PODEM SER REUTILIZADOS PARA AS MESMAS OU OUTRAS FUNÇÕES. POR EXEMPLO, PODEMOS UTILIZAR VÁRIAS VEZES O MESMO SACO PARA IR ÀS COMPRAS OU A MESMA GARRAFA PARA ENCHER DE ÁGUA.

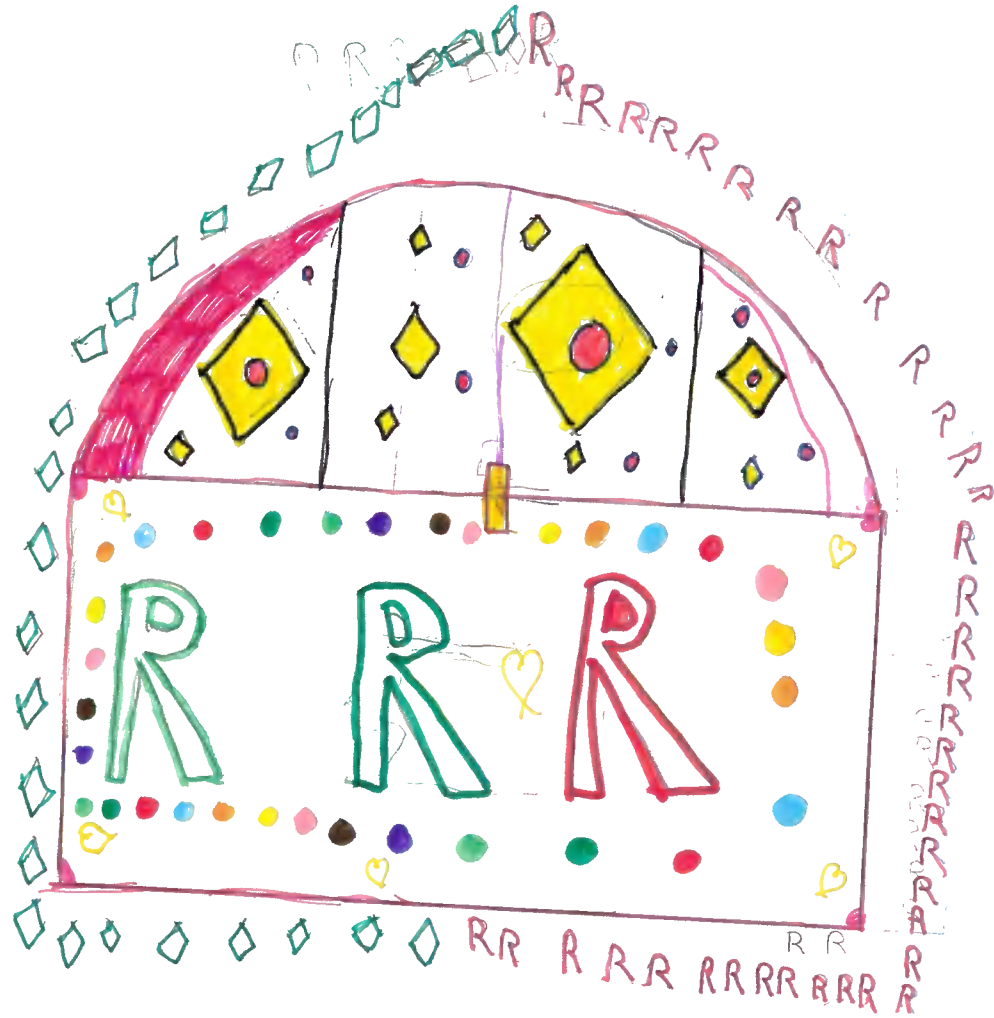

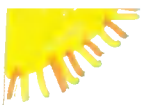

QUANDO NÃO É POSSÍVEL REDUZIR OU REUTILIZAR OS RESÍDUOS, A MELHOR SOLUÇÃO PARA PRESERVAR O AMBIENTE, DEVEMOS SEPARAR OS RESÍDUOS E DEPOSITÁ-LOS NOS ECOPONTOS.

Handwritten text on the semi-circular roof of the building, possibly representing a sign or architectural details. The text is written in a cursive, somewhat illegible script. It appears to be arranged in two lines: the top line contains several characters that could be interpreted as 'R B D u z l r I l u m o l z A E P i P a', and the bottom line contains a few more characters, possibly 'T Y U A L'. There are also some small symbols above the text, including a circle with a dot, a square with a dot, and a circle with a vertical line through it.

Os biorresíduos são um grande tesouro, mas não te esqueças,
para conseguir o verdadeiro valor dele de
